

It is time to move up a gear!

LIVELIHOODS' CALL FOR PROJECTS

After 10 years of successful partnerships with field organizations on impactful projects and in various geographies, the Livelihoods Funds are moving up a gear. We have just launched a **new Livelihoods Carbon Fund of 150 M€** to fund large scale projects that will generate positive impact on climate and the livelihoods of rural communities. We are now looking for entrusted field partners to co-develop and implement long-term projects. Let's join forces for the benefit of people, climate, and biodiversity.
